### **ILLINOIS STATE POLICE SQUAD CAR STRUCK ON INTERSTATE 290 IN DUPAGE COUNTY**

#### *ISP Experiences 4th Move Over Law-Related Crash of 2025*

**ITASCA** – Illinois State Police (ISP) officials investigated a traffic crash that occurred on Interstate 290 involving an ISP trooper, who was handling a previous traffic crash, when their squad car was struck by a driver who failed to move over.

On March 20, 2025, at approximately 8:18 a.m., an ISP trooper was handling a traffic crash on Interstate 290 westbound ramp to Illinois 390 westbound in Itasca. The trooper was parked on the left shoulder with emergency lights activated. The trooper was seated inside their squad car, and the squad car was struck in the rear by a Saturn Vue that failed to move over. The trooper was transported to an area hospital with non-life-threatening injuries. The driver of the Saturn, 44-year-old Teresa Muro from Glen Ellyn, Illinois, was transported to an area hospital with non-life-threatening injuries. Muro was cited for Operating an Uninsured Vehicle, Failure to Reduce Speed to Avoid an Accident and a Scott's Law violation.

In 2025, ISP has already suffered four Move Over Law-related crashes. In 2024, ISP suffered 27 Move Over Law-related crashes with 12 troopers injured and one death. In 2023, ISP had 21 Move Over Law-related crashes with seven troopers injured. ISP reminds the public the Move Over Law, also known as “Scott’s Law” in Illinois, requires all drivers to move over when approaching an emergency vehicle or any vehicle with its emergency or hazard lights activated.

A person who violates the Move Over Law faces a fine of no less than \$250 and no more than \$10,000 for a first offense. If the violation results in injury to another person, the violator’s driver’s license will be suspended for a mandatory period of anywhere between six months and two years.
