

**SECTION III -
CRIME INDEX
ARREST RATE DATA**

Crime Index Arrest Rate Data

The following data presented in this section reflect crime index arrests. These arrests include the categories of Murder, Criminal Sexual Assault, Robbery, Aggravated Assault, Aggravated Battery and Ritual Mutilation, Burglary, Theft (includes Burglary from Motor Vehicle), Motor Vehicle Theft and Arson. Attempted Murder is included under the Aggravated Assault/Battery category. These figures represent the total number of persons arrested.

This section utilizes the most recent complete census population statistics available from the U.S. Bureau of Census. The 1996 and 1997 arrest rates for this section were calculated using the 1996 estimated population statistics which were obtained from the U. S. Bureau of Census, released 1997. Population figures were also obtained through receipt of a special census received from the U.S. Bureau of Census or from the reporting agency.

It should be noted that each county total reflects crime data reported by police departments, sheriffs' offices, colleges and universities that are located within each county. Since the Secretary of State's Office has districts that have multi-county jurisdiction, the Secretary of State's Office totals are not reflected in the county total but are reflected in the state total.

The Crime Index Arrest Rate Comparison State Total is an aggregate total of the sheriffs' offices, police departments, colleges, universities and the Secretary of State's Office.

Due to the volume of data reported, only state and county totals are published in this section.
